Lastly, we hope that the new year will bring coronavirus vaccines so much needed. Mankind to be safer and world economies to start growing again.

As for our beloved Cyprus the new year to bring the Greek and Turkish Cypriots to the negotiating table in order to come to a solution of the problem. Both communities to leave in peace in the same way we lived before the 1974 troubles.

Delfi Partners & Co.

2020 has been an unforgettable year in which we have been challenged in unprecedented ways.

At the same time, this year has equipped us with enough resilience to face challenges, a clearer perspective about what matters in life and stronger commitment to give our clientele quality solutions in order to obtain their dream property.

This Christmas season, our thoughts are with the people who have been affected by this unprecedented event and we appreciate the healthcare workers, local communities, and governments around the world who are on the front line working to contain COVID-19 outbreak.

The Management and staff of Delfi group, would like to wish you happy holidays and a prosperous new year 2021, full of health, happiness and unforgettable memories.

Andrea Ioakim, KINANIS LLC

“Christmas will be different this year for all of us. We wish to everyone health, strength and happiness.”

Alex Chrysaphiades, Partner, Adler Shine LLP

During this unprecedented year, this Christmas will be extra important for many and will represent a beacon of light, bringing many families back together.

It will be a time for reflection, remembering the challenges of the year and the loved ones that many have lost.

However, it is also an opportunity to remember what lockdown brought to many of us: time together as families and exploring our local areas.

Spending lockdown together has given us the platform to perfect the art of spending quality time together this festive season and make it a special silver lining to a year that will no doubt go down in history.

The team at Adler Shine wish everyone a safe, healthy and Happy Christmas and a Happy New Year 2021.

Elena S. Ghalanos, Managing Director, Othon Ghalanos Group

“This year we drew upon our heritage of resilience and determination that has long guided our people through adversities, we took heart from the selfless example of our dedicated care givers, and we fought to preserve, through our solidarity, the health of our loved ones and our community. We have endured and, while we may have still more to endure, new developments rekindle hope. Christmas and the New Year are around the corner, bringing warmth and cheer as well as the promise of rebuilding and a better future. Best wishes to all for health, happiness and prosperity!”

Nicolas Karoullas, CEO at KARMA Developers

"2020 has humanized business in entirely new ways, which means that this is not the year to be writing the typical annual CEO end-of-year letter, email or video. Even though it was a very difficult year, for some people more, for some people less, we will always face difficulties in our lives. The same applies in business, that's why we must keep thinking positive. There will always be opportunities, good investments will remain valuable and will recover soon. So, let's learn from this year and let's try to get better, let's be authentic, let's be realistic, let's express gratitude, let's share love, let's enjoy life! This is the only way to a better future. Karma Family is wishing you Merry Christmas and a better prosperous new year 2021. "

Xenia Neophytou, Durector at C.X. Financia Ltd

Nikki Curan, Owner NC Travel

I have had the good fortune to visit Cyprus on numerous occasions. Each journey has been so special whether I have stayed in a villa, hotel or traditional cottage high in the hills. It is the warmth of the people and the tranquil pace of life that draws me back time and time again.

We are all aware that 2020 has seen enormous challenges for everyone and although it didn't turn out like we wanted it to it doesn't mean that the future can't be better than we ever imagined.

As an independent travel advisor if there is anything I can do to assist please do contact me I would be delighted to hear from you.

I will leave you with one last thought - I wish everyone associated with this magical island a very happy Christmas and prosperous New Year ... May the future be so bright that we have all got to wear shades.
